

Carrickfergus Learning Community

Four Schools - Equal but Different

STUDENT INDUCTION HANDBOOK September 2013

Introduction

Carrickfergus Learning Community came into being in response to, and in anticipation of, the Government recommendation that all schools should offer a range of 27 Post 16 subjects to 6th form students. Economically it would be difficult for any one school to comply with this aspiration; hence the four Post Primary Schools in the town of Carrickfergus have pooled resources and expertise and are now able to offer a far greater variety of subjects. We have now seven years experience of collaboration together and have enjoyed seeing CLC students successfully complete their A level studies.

In the previous six years over three hundred students have accessed courses that would have previously been unavailable to them. This has allowed them to better prepare for further education and employment in their chosen career paths.

The greatest benefit of CLC for students is broader range of choice in courses and qualifications. There are the other advantages including an increased social mix, stimulation in a new and different environment, different teachers and increased independence. All this adds to the depth and richness of this period in your life as a young adult.

This Induction Booklet has been designed to help you understand the workings of CLC on a daily basis. There is an Induction Day when you will visit your host school and take part in teamwork and communication skills activities.

Keep this booklet in a safe place so that you can refer to it as and when you need.

You will find photographs and names of CLC Coordinators and contact numbers for each school at the back of this booklet.

Induction

An Induction will take place in Downshire School on Wednesday 4 September 2013. This will involve meeting your new classmates, a visit to the school you will study in and an opportunity to meet your teacher there. You will also learn the geography of your host school including where and how to sign in and the location of classrooms and toilets. This should all serve to help you feel comfortable in a different school.

Contract

You and your parents will be expected to sign a contract before you start your CLC classes. This is intended to clarify our expectations and standards. Please read this carefully to make sure you understand your commitment. A copy of the contract is at the back of this booklet. It is of the utmost importance that parents take every opportunity to be involved in the process by attendance at induction and consultation events.

Student Information Sheet

In the event of an *emergency* it is important that both your home and host school have contact numbers both for next of kin and medical personnel. Your information will be

kept confidential within each school but you must appreciate the importance of this being accurately completed. If it needs to be changed or updated at any time contact your CLC Coordinator. Please complete this form and return to your school CLC Coordinator as soon as possible.

Transport

Local taxis are used to carry students between schools. All drivers have been provided with Child Protection training and fulfilled the requirements of Access NI. It is very important for the smooth operation of CLC classes that the transport system works well. In this respect pupils need to

- Go directly to their pick-up point at the arranged time
- Make every effort to maintain good, courteous relations with the taxi staff

For classes starting at the beginning of the school day it is each student's responsibility to get to their host school on time. A taxi will return from your host school at 11-05am. For the middle session a taxi will take you to your host school at 11-20am and return you at 12-30pm for lunch at your home school. The taxi for afternoon classes will collect you at 1-20pm but you will be responsible for making your own way home from the host school at the end of the day. You will be given a code for your taxi, make sure you get into the correct one.

Please note that students are not permitted to drive in their own cars and any deviation from the normal taxi run arrangements must be referred to the CLC Coordinator in your home school.

Parents

Reports will be issued to Parents as usual from the pupil's home school but in addition to that they will receive at least one annual report from the host school.

A Parents' Night for all CLC students will be held in Downshire School on Tuesday 3rd September at 7pm. At this meeting parents will receive an introduction to the workings of CLC and how they may support their son/daughter in their studies.

Attendance for all CLC students and their parents is essential.

In addition to reports from both schools, parents will be invited to attend Parent Interview sessions in both schools. It is important that your parents understand your progress so that they can support you in your studies. It is therefore of the utmost importance that parents attend these interviews and support their son/daughter at this challenging time in their educational development.

Examinations

Many examination dates and times are beyond the control of schools and so at exam time the schools work closely together to ensure smooth timetabling and planning transport outside 'normal' routine of CLC classes. External examinations will be sat in your host school however exam results will be provided in your home school by your examinations officer.

To prepare students for examination revision classes are arranged during study leave. Students must attend these classes and full uniform should be worn on these occasions as on all other occasions.

Coursework

While this is the responsibility of the host school to set and mark, should any problems occur these will be addressed through the CLC Coordinators in each school.

As with other A-level subjects, deadlines and dates will be given which must be adhered to. You should get the submission and exam dates at the beginning of the year and these should be noted on a calendar at home. Setting reminders on your phone would be a sensible strategy too and also working with the calendar on your email account to receive automatic reminders.

Teacher Contact

Maintaining contact with teachers in your host school can be difficult. You will not be able to 'drop in' with your teacher during a free period to clarify a homework question or coursework issue. Therefore, you must work out strategies which will work for you and your teachers. Use of the school e-mail system to seek study support and guidance is one strategy that can be used. This can be useful experience as many universities and employers use this method of communication.

Absence

If you are ill or are absent for any reason, you must contact your own school so that the coordinator can get in touch with your CLC teacher. As you have less opportunity for informal contact with your teacher ***attendance at class is crucial***. Please note that your contract states you will attend at least 90% of classes or your place on the CLC course may be put in jeopardy.

Holidays

Enclosed with this booklet is a holiday list showing the holidays of all four schools. As a CLC student you will be expected to attend classes ***even if your own school is closed but your host school is open***. If your host school is closed, and your own school open, you will be expected to join a private study group in your own school.

Coordinator

The coordinators in each school keep in regular contact; if you have a problem or difficulty you must inform the coordinator either in your host school or your own school. They will try to resolve the problem. ***Please make use of this resource when needed!***

Use of Host School

Remember that you are a student guest attending for lessons and that not all facilities may be available to you. Make sure that you find out where you can go and where not!

CLC – AGREED STANDARDS FOR QUALITY ASSURANCE OF TEACHING AND LEARNING

The Carrickfergus Learning Community aims to promote the highest standards of teaching and learning amongst all of its teachers and pupils. This document sets out to highlight the agreed standards we strive to uphold at all times.

AIMS OF THE STANDARDS SET

- To allow students to develop a positive approach to lifelong learning.
- To support students in achieving their full potential and making informed and responsible decisions in preparation for adult and working life.
- To extend the offer of subjects to students within the CLC.
- To work collaboratively to enhance the learning opportunities for young people within CLC.
- To use flexible teaching styles and methods which will best suit the needs of learners.
- To provide appropriate academic and pastoral support for students.

LEARNING STANDARDS

1. Pupils will be accountable for their attendance at classes.
2. When communicating by email pupils and teachers will use only C2K email.
3. Pupils will act in an independent manner.
4. Appropriate learning styles will be catered for by teachers.

TEACHING STANDARDS

1. Teachers will use of a range of teaching strategies.
2. Lessons will be appropriately paced.
3. Feedback will be provided in an appropriate manner.
4. Lessons will start and finish purposefully.
5. The room will be neat/tidy/well organised and feature displays of pupil work.
6. Pupils, parents and teachers will have high but realistic expectations.
7. Extra help will be offered within reason.
8. Where action is needed and remedial help is to be offered this should be done as soon as it is feasible to do so.
9. Positive language will be used with pupils.
10. Appropriate lessons will be prepared and well resourced, making use of a range of questioning techniques.
11. Learning intentions will be introduced at the start of a lesson and reviewed at the end of the same lessons.

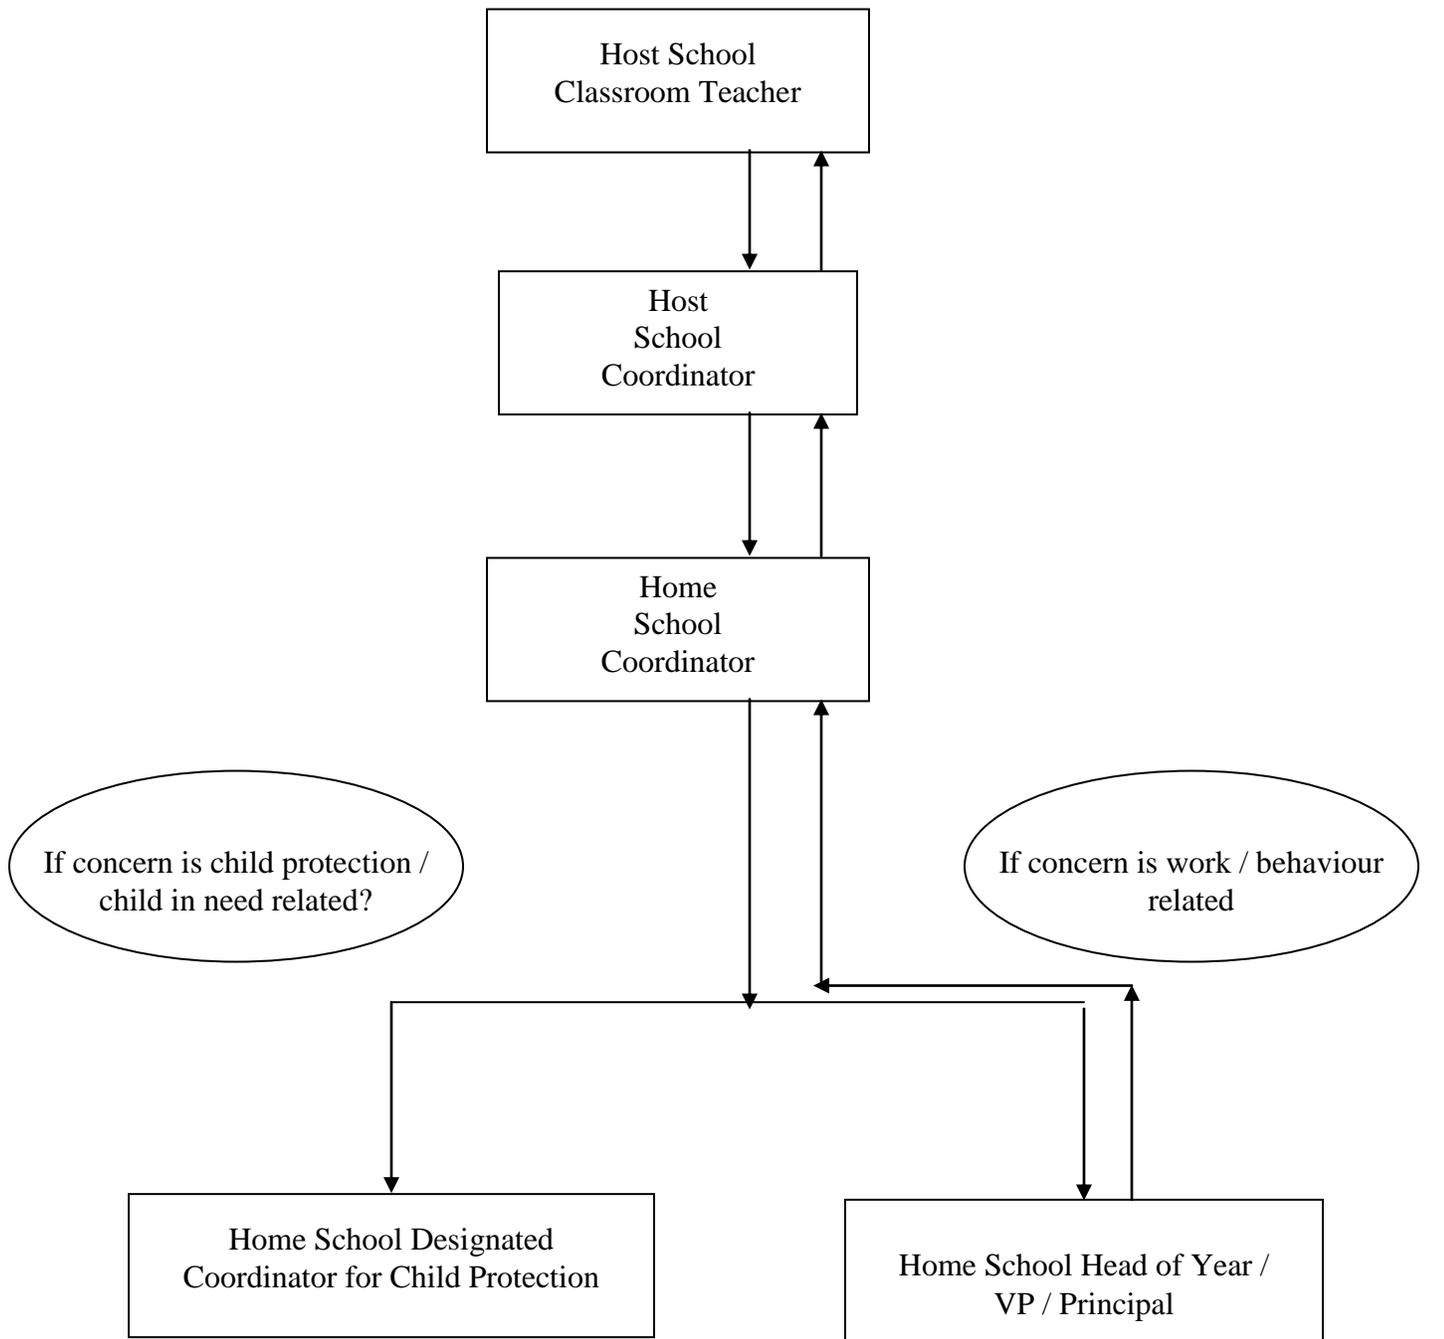

ASSESSMENT/REPORTING STANDARDS

1. Homework will be a follow on from the lesson or prepare the pupil for future work.
2. Homework will be set / marked regularly with comments designed to help pupils improve their work.
3. Parents' evenings will offer the opportunity for feedback on student progress. Invitations will be issued by the Host School.

PASTORAL AND DISCIPLINE STANDARDS

1. Good working relationships between staff and pupils will be established and maintained.
2. Pupils will learn in a pleasant, calm, caring, supportive, relaxed and positive environment.
3. Positive parental input will be vital to support pupil progress.
4. Pupils will email staff to get caught up if they are absent.
5. Any application of discipline will be fair and proportional to the misdemeanour.

Procedures for teachers with a concern about a visiting student:

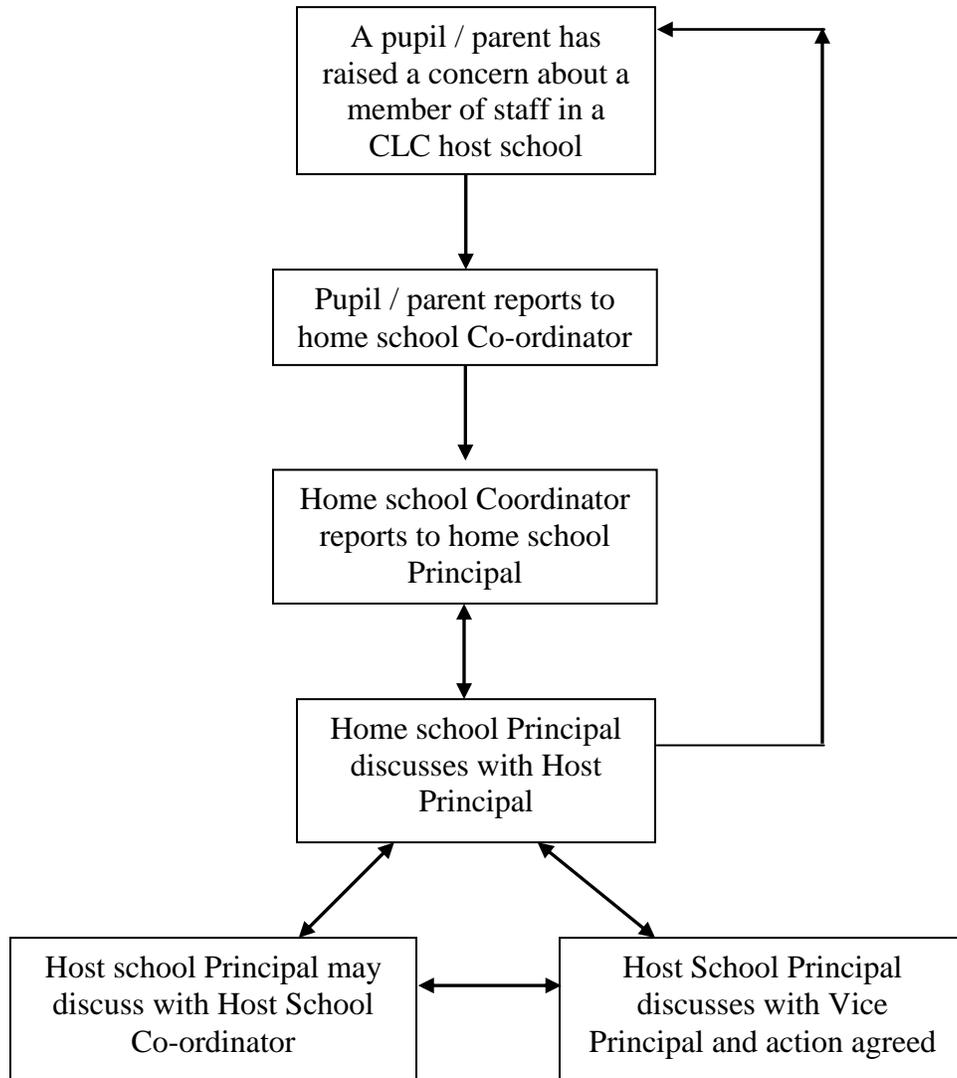

Home School Child Protection Procedures followed

Home school Head of Year / VP / Principal reports course of action to Home school coordinator to relay feedback to host school

Carrickfergus Learning Community

Procedures for pupils / parents who have a concern about a member of staff from a CLC Partner School

Student Contract

Student's name _____ CLC Subject _____

Home School _____ CLC School _____

I agree to uphold the terms of the contract for studying within the Carrickfergus Learning Community.

1. Maintain excellent attendance – over 90%.
2. Make use of the Taxi service to move from school to school as agreed.
3. Arrive at all classes on time ready to participate fully in the activities of that class in the school in which I am being taught.
4. Adhere to the standards of behaviour in the school in which I am being taught.
5. Accept the discipline rules of the school in which I am being taught.
6. Co-operate fully with the staff in the school in which I am being taught and treat all members of that school community with respect.
7. Accept that deadlines will be set and must be met in all areas of study.
8. Be a positive role model for other pupils in the school in which I am being taught.
9. Attend all tests and examinations related to my course of study.
10. Make use of non-class time and home study time to work on meaningful personal study.
11. Be prepared to represent the Carrickfergus Learning Community in organised events.

I understand that failure to maintain the terms of this contract may result in my being asked to leave the subject being studied through the Carrickfergus Learning Community.

Student signature _____ Date _____

CLC students perform better when they receive support from home. It is therefore of the utmost importance that parents attend the Induction Evening (September 3rd) and the Consultation evenings later in the year.

Parent/guardian _____ Date _____

School Co-ordinator _____ Date _____
