## Sailing Success for two brothers

**Congratulations to Rory and Calum Pollard who have become Mid & East Antrim Borough Council ambassadors and have both been awarded The Jonathan Rea Bursary.** They are now supported by Mid & East Antrim Borough Council financially in their 2022 sailing campaign. This award helps them with coaching, equipment and kit required to take part efficiently in the sport of competitive sailing. They have been awarded this bursary due to sailing for the Royal Yachting Association Northern Ireland Youth Squad. Their separate applications are marked on performance, rankings and attendance, but most importantly, on how they represent their borough and what they can bring to it.

*Rory (pictured) and Calum are very thankful to Jonathan Rea and to Mid & East Antrim Borough Council for their support. They look forward to representing their club, school, borough, country and themselves.*

## A gallant effort

**Unfortunately our 1XI lost 2-1 to Wallace in the quarter final of the shield.** The girls went above and beyond yet again and played out of their skins. We are so proud of how far they have come this season and how they have competed with the top schools.
